

CALIFORNIA CONVERGENCE

Steering Committee Process

LEGEND

- Green: "Non-voting members," including funders and Policy Leads
- Blue: "Steering Committee," represented by individuals selected by the regions. "Local Site Work" is each County within the Region. In each county are projects, programs, and initiatives that work together in collaboratives or coalitions.
- Purple: Technical Assistance providers, such as Local Government Commission, Berkeley Media Studies Group, Prevention Institute, and others.
- Gray: Partnership for the Public's Health, which provides administrative and coordinating support to the California Convergence Steering Committee & Regional Networks.
